OUR MISSION

To encourage and support self-sufficiency and self-worth for people in need in our community through education, wellness and outreach services.

OUR APPROACH

We believe in community first. We assist our neighbors in need, helping them achieve their desired path to self sufficiency. We work to address the root causes of poverty and create systemic change by providing basic and emergency resources, education and specific health programs, as well as coordinated services in the broader community. It is our calling to be a part of collaborative solutions so that **everyone** in our community can thrive.

FOR MANY IN THE NEIGHBORHOODS WE SERVE:

- Decent, affordable housing and food is scarce.
- Nearby, quality health care options are few.
- Without a car, transportation is difficult and time consuming.
- Rising costs of living and gentrification make self-sufficiency and financial stability difficult.

OUR IMPACT

We offer free dental and prenatal care, food, clothing and financial assistance to meet emergency needs, hot lunches 5 days a week at Neighborhood House and diverse educational opportunities such as afterschool care, money management, GED and ESL classes. We are dedicated to removing potential barriers for those in need in order to reach self-sufficiency. Every day our impact is felt when an individual makes a healthy choice, when a tutor inspires a child, when a healthy baby is born, when a student passes the GED exam, when a community member walks through our doors to donate and volunteer – and when an individual or family no longer needs our services. 6,862 people benefited from the support of OLMCOS' services and programs in 2019 — the most of any year in history to date.

"My children are proud of me. I can actively participate in their daily lives, take them places and understand what people say to me. I have become independent."

— Aurelia Becerra,
English as a second language student

WHO WE SERVE

Since 1989, Our Lady of Mercy Community Outreach Services, Inc. (OLMCOS) has been an anchor in the Sea Islands community of Johns, James and Wadmalaw Islands. We were founded just two weeks prior to the Hurricane Hugo devastation that hit Charleston, South Carolina, and immediately became dedicated to bringing disaster relief to our community. Neighborhood House has served the Eastside community of downtown Charleston for over 100 years. In 2005, OLMCOS integrated Neighborhood House into its service structure. Today, both locations provide basic needs, emergency services, along with health and wellness programs.

SPONSOR TO MAKE AN IMPACT

Make a difference in the community by becoming a sponsor for our 27th annual golf tournament. Your participation is a huge part of what makes our golf tournament a successful event. We will celebrate your support by giving you or your company recognition in event marketing materials and throughout the event, and in return, you or your company will be showcased to the attendees and local community.

THE ANNUAL GOLF TOURNAMENT

Why local companies should be a part of community change

BUILDING CONNECTIONS

For 27 years, OLMCOS's annual golf tournament has been a day of charity and friendly competition. Held at the exclusive Golf Club at Briar's Creek on Johns Island, golfers and sponsors alike can enjoy a round of golf, lunch, refreshments, door prizes, gift bags and dinner at the clubhouse.

All proceeds from the 27th Annual Charity Golf Tournament will go directly to Our Lady of Mercy Community Outreach's mission to encourage and support self-sufficiency and self-worth for people in need in our community through education, wellness and outreach services throughout the Lowcountry.

Sponsoring the annual golf tournament can enhance your brand, meet your business goals and build customer loyalty. We invite you to join us and be a part of long-lasting change. Because it is our responsibility to build up the communities where we live, work and play.

THIS IS A WONDERFUL OPPORTUNITY TO PLAY BRIARS CREEK AND A TERRIFIC WAY TO SUPPORT OUR NEIGHBORS IN NEED THROUGH THE GREAT WORK OF THE VOLUNTEERS AND STAFF AT OUR LADY OF MERCY COMMUNITY OUTREACH
